

Dear Heritage Animal Hospital Clients,

We are pleased to inform you of some very EXCITING NEWS! Heritage Animal Hospital is moving to our brand new facility as of Monday, December 14, 2020! The address and phone number for our new home is:

3240 Rogers Road
Wake Forest, NC 27587
919-435-1978

Heritage Animal Hospital continues to offer all medical needs for your beloved companion(s) which include wellness exams, surgical procedures, dentals, laser therapy, diagnostic radiographs, ultrasonography, grooming and boarding. We look forward to partnering with you to provide the best veterinary care for your fur babies!

Due to the COVID-19 pandemic, we plan to continue to serve our clients through **curbside service only** in an effort to keep our clients and staff as safe as possible. Our lobby remains closed until further notice; however we strive to continue to serve your needs by coming directly to your vehicle for check-ins, delivery of products, and discharges. For curbside service, please call us at (919) 435-1978 once you arrive and inform the receptionist of your arrival, patient's name and vehicle color. A Heritage Animal Hospital team member will gladly greet you outside at your vehicle to address your patient's health concerns.

Please let us know how we can best serve your needs during this time and please be patient with us as we navigate the challenges this pandemic and move is creating for us all. Thank you for your support and trust in the care that we are honored to continually provide to you all!

Sincerely,

Heritage Animal Hospital Team
